DOCKETING DEPT.

To Whom It May Concern:

Please accept this letter as my request in accordance with the rules and regulations of the Public Service Commission of South Carolina to request a hearing in Cherokee County. Also accept my request to appear before the commission at this hearing or the Columbia, SC hearing on August 28, 2006 if one can not be held here in the county where I reside. I will need approximately 10 minutes to cover all the information that I will present on behalf of myself and fellow residents of the Briarcreek subdivision. This is where United Utility Company Inc. operates the facility that treats my wastewater. I believe that the rate of \$48.24 that I already pay is too much for the small amount of waste generated by myself and the other residents of this small sub division and do not think an increase is needed or justified.

Should anyone need to contact me, please write me at the above address of call me at 864-902-0687.

Sincerely,

Alvin F. Simpson Jr.
